

Dear SSI Participant,

Welcome to the UT Summer Statistics Institute!

The UT Summer Statistics Institute begins May 21, 2018. You are registered for:

Course: *Applied Hierarchical Linear Modeling*
Dates: *May 21 – 24, 2018*
Time: *9:00 am – 12:00 pm*
Room: *CLA 1.404*

Please note: You will receive a separate email for each course you are registered for.

Your course will be held in a computer classroom with SAS software available for access. Attached you will find UT EID information you will need for computer classroom use.

If your instructor has chosen to utilize Canvas for the 2018 UT Summer Statistics Institute, you will receive an email inviting you to participate in your course through Canvas shortly. Please note that the SSI instance of Canvas is partnered with UTeach and login is through their portal. Log in with your email address and create a password. (Please note this will be your permanent password)

Your instructor may or may not be in touch with you prior to the Monday, May 21 start date.

Please arrive **15 minutes early** on Day 1 to locate your classroom. You can proceed directly to your classroom on Monday, May 21 where you can check in.

Light refreshments will be served mid-session each day during a short break. Information about parking, a map of campus, building location, visitor information, and local restaurants are located on the SSI Home page at: <https://stat.utexas.edu/training/ssi>

SSI courses are not for academic course credit, but you will receive a certificate upon completion of the course.

If you have any questions about your registration or payment, please contact stat.admin@austin.utexas.edu

For other questions, please contact me at sasha.schellenberg@austin.utexas.edu

We look forward to meeting you next week!

Best,

Sasha Schellenberg
