

Department of Statistics and Data Sciences
UT Summer Statistics Institute
Instructions for SPSS Installation

Below you will find the instructions for downloading, installing, and authorizing a copy of SPSS for use at our Summer Statistics Institute. Please note; this license is only a 14-day temporary license for the Summer Statistics Institute

1. Open your browser, and navigate to the following page:

<https://www.ibm.com/analytics/data-science/predictive-analytics/spss-trials>

2. Select IBM SPSS Statistics.
3. Enter your IBM ID – or – fill in the required information and click “Continue”
4. Choose appropriate operating system
5. When prompted, click “Download now” to download and install your software
6. If you have any trouble, follow the “Software download support” link on the right-hand side of the download page or visit <http://www-01.ibm.com/support/us/>
